

Tranzfuser Ambassador @ EGX

Tranzfuser is an innovative UK-wide programme that supports graduate teams to create a prototype video game. Teams are working toward showcasing their final prototype at EGX in October and being selected to secure grant funding of up to £25,000 from the UK Games Fund.

New for this year, the UK Games Fund Round 5 companies will also be showcasing at EGX.

EGX is looking to be a show-stopping event! All Tranzfuser teams will be demonstrating their prototype and we have a host of activities happening. To help make the event a success, we are looking for a people who are passionate about video games and would like to support us on the Tranzfuser stand at EGX.

Is this role for you? If you can answer YES! to the following questions, then please get in touch with us:

- Do you love playing video games?
- Are you aged 18+?
- Have you ever made your own video game / studied computer science or other related subject at college or University / worked at a video games company?
- Do you love talking to people about video games?
- Do you have an outgoing and engaging personality?
- Do you have energy and enthusiasm to keep positive and upbeat after being on your feet for long periods of time?
- You can get to the London ExCeL Arena on the 17th – 20th October

Role

Your duties will include:

- Sign-posting people to the Tranzfuser and UK Games Fund Round 5 stand
- Informing the general public about Tranzfuser and UK Games Fund
- Handling enquiries made at the stand
- Supporting public voting at the Tranzfuser stand
- Stand set-up and take-down

Key Dates

- Thursday 17th – Sunday 20th October 2019 required to be on the stand

Payment

Payment: £70 per day you are on the stand and entry into EGX for the days you are an Ambassador

Preference to live near London (we do not cover travel expenses)

Next Steps
